

How to purchase KIKO tokens safely

by Alexej Smirnov

Kikohash.com

1. Send funds only to the addresses you obtain in KIKO Personal area
<https://tokensale.kikohash.com>.
2. Pay attention to the presence of "s" letter in the address line (s in "https" stands for SECURE): <https://tokensale.kikohash.com>.
3. Pay attention to the security popups in the browser .
4. Kikohash doesn't send neither payment addresses nor any kind of bonus offers via email (such deals can be made privately with obligatory personal confirmation by phone by Kikohash staff).
5. You can use the additional service to verify the received address:
